

VARAZS Reg d VIZSLAS Application to Purchase a Puppy/Dog

At Varazs Perm. Reg d Vizsla Kennels, I invest a great deal of time, energy, and money in raising Vizslas to the highest possible standards of health, temperament, beauty and intelligence. I care very deeply about the puppies I breed. I try to ensure they are placed in the best homes possible, where owners have sufficient time and income to care for them properly suitable space, and will provide them with a stimulating, active life and give them lots of love. Since I maintain a lifetime commitment to my puppies, screening and approving suitable homes is part of my breeding process. If you wish to be considered for one of my dogs, please complete and return this form; doing so in no way obliges me to sell you a dog nor does it compel you to buy from me. All information will be kept strictly confidential.

The Vizsla breed is not for everyone! Your honest and complete answers will help me determine whether your home and personality would be a good match for one of my dogs. If your home is approved, the information you supply will help me match a pup with the best qualifications to meet your interests.
